Comic Books As History The

The popularity of the character swiftly enshrined the superhero as the defining genre of American comic books. The genre lost popularity in the 1950s but re-established its domination of the form from the 1960s until the late 20th century. In Japan, a country with a long tradition for illustration, comics were hugely popular.

Comic Books | National Museum of American History

With comics, you could go as far back as hieroglyphics or cave drawings to have sort of examples of comic books, forcing the consolidation of that history to be a lot more difficult. With animation, there are definitely some difficult decisions to be made on WHEN you start the history, but it is certainly clearer than it would be with comics.
