I just finished taking the GACE special education exam today after studying the guide for 2 plus months. I can tell you that the questions in the study guide and the information presented as important in the study guide is very misleading. The actual test contained 1 question on special education laws and policies.

GACE Science Exam Study Guide. Science is a multidimensional subject which covers logics of each and every sphere of life. Educator teaching this subject to students should be such that he could create a line of distinction between various branches of science. Hence the educator should be capable enough to take this subject to his students.
