It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The book is Hojoki. I'm choosing it because of its theme, which you may be able to figure out in part from its subtitle, Visions of a Torn World. Because our world too is now 'torn' first with the COVID pandemic and now with the challenges to our society that have again resurfaced as a result of the George Floyd murder in Minneapolis.
