I hope this information will be helpful to anyone reading my review and shopping for a quality portable DVD player of this kind and brand. This 9' inch LCD screen portable DVD player was a good investment at least for me that I purchased on Amazon.com and the price I purchased it for. It was just what I was shopping for in a portable DVD player.

Used (normal wear), Excellent DVD player, a little banged up. There's a few minor blemishes, but they are hardly noticeable and more a testament to its durability than actual damage to the device. The screen remains flawless. It also can be hooked up to your TV as an actual regular DVD player, with additional cords included at no extra cost..
