Steppin On The Blues The

Steppin' on the Blues explores not only the meaning of dance in African American life but also the ways in which music, song, and dance are interrelated in African American culture. Dance as it has emanated from the black community is a pervasive, vital, and distinctive form of expression--its movements speak eloquently of African American values and aesthetics.

Early New Orleans/Chicago based cornet and trumpeter Tommy Ladnier is featured in a variety of settings as a leader and soloist on the 25 tracks of Steppin' on the Blues. Seen by some as the second Louis Armstrong, Ladnier not only took Armstrong's place in the King Oliver band but also played with most of the major blues and jazz artists of the time as sampled on this disc.
