Tech Max Engineering Physics
When our school closed in the spring, my physics class still had two units left to cover for the school year – waves and electricity. I immediately thought about how I was going to teach remotely when a lot of the lessons are experiments and hands-on activities.

How to make hands-on physics approachable during remote ...
First, Bridgewater's computer models initially misread the markets for a second year in a row. Then, big clients began to head for the exits. Investors pulled a net \$3.5 billion during the first ...
