Television Production Handbook 12th Edition

A film producer is a person who oversees film production. Either employed by a production company or working independently, producers plan and coordinate various aspects of film production, such as selecting the script; coordinating writing, directing, editing; and arranging financing.. During the "discovery stage", the producer finds and selects promising material for development.

Traditionally, war films, musicals, and historical dramas have been the most popular genres, but franchise films have been among the best performers of the 21st century. There is strong interest in the superhero genre, with nine films in the Marvel Cinematic Universe featuring among the nominal top-earners. The most successful superhero film, Avengers: Endgame, is also the highest-grossing ...

Encyclopaedia - Encyclopaedia - The kinds of encyclopaedias: It is now possible to see, in the past 2,000 years of encyclopaedia production, the existence of a pattern closely related to the changing social needs of each age. The outstanding circumstances that governed the policy and production of encyclopaedias for the first 15 centuries were that comparatively few people were able to read ...
