This work illuminates four centuries of medieval history, from the expansion of Latin Christendom, from its base in France, Western Germany and North-Central Italy into the European outskirts, at a time of rising population, economic growth and dynamic cultural change. This expansion also saw the English

## **Review: Robert Bartlett, The Making of Europe. Conquest ...**

This book shows Europe to have been as much a product of a process of conquest and colonization as, in later years, a colonizer beyond its own borders.

Concentrates upon the establishment of states by conquest and the peopling of
