The Twentieth Century A Brief

The 20th (twentieth) century was a century that began on January 1, 1901 and ended on December 31, 2000. It was the tenth and final century of the 2nd millennium.Unlike most century years, the year 2000 was a leap year, and the next century leap year in the Gregorian calendar after 1600.. The 20th century was dominated by a chain of events that heralded significant changes in world history as ...

20th century - Wikipedia

The 20th Century By the 1930s, America could be seen from two very different perspectives. One perspective is that of a relatively youthful nation coming of age in the world. Over the previous 130 years, America had grown from an agrarian society to one which used its wealth of natural resources and labor to embrace the industrial revolution.

The 20th Century - LRF

The 20th century began without planes, televisions, and of course, computers. These inventions radically transformed the lives of people around the globe, with many changes originating in the United States. This century witnessed two world wars, the Great Depression of the 1930s, the Holocaust in Europe, the Cold War, revolutionary social equality movements, and the exploration of space.
